RESOLUTION NO. 581

A RESOLUTION TO REPLACE PRIOR RESOLUTION 566 ESTABLISHING
A POLICY AND PROCEDURE FOR ORAL PRESENTATION
OF PUBLIC COMMENTS AT BOARD MEETINGS OF THE
CHATTANOOGA AREA REGIONAL TRANSPORTATION AUTHORITY

WHEREAS, the Chattanooga Area Regional Transportation Authority, which also serves
as the Chattanooga Parking Authority (“CARTA”), holds regular Board meetings on the third
Thursday of each month, which meetings are open to attendance by members of the general
public; and

WHEREAS, members of the general public from time to time request the opportunity to
address the CARTA Board pertaining to items which may or may not be part of the scheduled
business agenda for the Board meeting; and

WHEREAS, in order to provide an appropriate structure for submission of oral public
comments at CARTA Board meetings while also promoting the efficient management of the
business to be addressed by the Board at such meetings, the Board of Directors of CARTA
previously deemed it advisable to establish policies and procedures to govern oral presentations
at Board meetings when requested by members of the general public; and

WHEREAS, the Board also previously deemed it advisable that such policies and
procedures promote the conveyance of information to CARTA's Board but do not become
disruptive of CARTA's ability to carry out the business of the Board;
WHEREAS, CARTA’s Board previously adopted Resolution 566 at its meeting on August 20, 2015, to establish such policies and procedures, and now desires to update these policies and procedures and to replace prior Resolution 566 with this amended statement of policies and procedures;

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of CARTA hereby adopts and implements the following revised and updated statement of policies and procedures with respect to oral public presentations at CARTA’s Board meetings, and hereby replaces the provisions of prior Resolution 566:

1. The CARTA Board of Directors monthly meetings are designated and limited public forum for members of the public to share thoughts and opinions related to specified subject matters. This policy is intended to allow members of the public a fair and adequate opportunity to be heard; to assure that the regular agenda, goals, and purpose of the Board are completed; to recognize the voluntary nature of the Board’s time; and to use that time efficiently.

2. Each speaker wishing to address CARTA’s Board shall identify the subject matter and topic of the requested presentation and shall communicate such in writing (by regular or electronic mail) to CARTA’s Board Chairman and Vice Chairman no later than the third day prior to a regularly-scheduled CARTA Board meeting (which typically would require delivery before the end of business on Monday prior to CARTA’s regularly-scheduled Board meetings on Thursday). If circumstances render it difficult or impractical for any member of the general public to provide such advance notice to the Board Chairman and Vice Chairman,
then the Board Chairman and Vice Chairman may at their discretion decide to waive the notice requirement and allow presentation at the current Board meeting, or to postpone the presentation until the next subsequent Board meeting, provided that in no circumstances shall a waiver be granted until the subject matter of the requested presentation is communicated in writing to the Board Chairman and Vice Chairman prior to the commencement of the Board meeting.

3. Subject matters and topics which may be addressed in oral presentation to CARTA’s Board shall be limited to matters reasonably connected to the business, operations, and policies of CARTA.

4. Subject matters and topics involving personal matters, personal concerns, and/or disagreements regarding CARTA personnel decisions, internal office politics, and operational decisions properly addressed by CARTA management will not be permitted unless they are of public concern and outweigh CARTA’s interest as an employer, in promoting the efficiency of its public services.

5. The subject matters and topics are confined because of (a) CARTA’s limited role as a transit authority and parking authority for the city and county and (ii) CARTA’s Board’s desire to conduct meetings in a timely, productive, efficient, and orderly fashion.

6. If permission to speak is pre-approved before the meeting, CARTA’s Board will not interfere with or discriminate on the basis of the content of a speaker’s
presentation; however, the Board Chairman, or Vice Chairman if the Chairman is unavailable, may stop a presentation for any of the specific reasons permitted by this Resolution.

7. If a public presentation is permitted, the speaker may only address the subject matters and topics included in the pre-approved notification to the Board Chairman and Vice Chairman.

8. Each speaker shall limit his or her remarks to no more than five (5) minutes, unless permission for additional time is granted by CARTA’s Board Chairman, or Vice Chairman if the Chairman is unavailable.

9. Subject matters and topics will not be addressed in back-to-back meetings unless the Board Chairman and Vice Chairman determine it necessary and/or appropriate, and the Board Chairman and Vice Chairman may deny additional speaking requests if the request to speak will be repetitive to previous speeches covering the same subject matter and/or topics by the same or different presenters.

10. No speaker shall use vulgar or obscene language.

11. No speaker shall use disruptive and antagonistic speech.

12. No speaker shall be allowed to appear before CARTA’s Board more than two times during any consecutive four month period.
13. No speaker shall be allowed to address the Board more than once at a Board meeting.

14. A speaker may only address the Board from a location within the Board meeting room as indicated by the Board Chairman, or Vice Chairman if the Chairman is unavailable.

15. No sound amplification system or illumination system may be used by any speaker to address the CARTA Board inside the meeting room without prior approval by CARTA.

16. No more than three (3) persons shall be allowed to address the same topic at any one Board meeting, unless approval is given by the Board Chairman and Vice Chairman in advance.

17. Regardless the number of appearances permitted and/or presentations scheduled during a board meeting, the Board Chairman, or Vice Chairman if the Chairman is unavailable, may limit, stop or prevent appearances that are frivolous, repetitive, and/or irrelevant at any time. The Board Chairman, or Vice Chairman if the Chairman is unavailable, may also limit, stop or prevent appearances that are harassing and have the potential to disrupt the meeting or threatens illegal acts.
18. Any presentation made to the Board may be terminated by the Chairman, or Vice Chairman if the Chairman is unavailable, if the speaker violates or fails to comply with the foregoing procedures.

BE IT FURTHER RESOLVED that the foregoing policies and procedures are adopted to be implemented immediately upon approval.
