

Request for Proposals
to Provide
Legal Services
Issued by the
Chattanooga Area Regional
Transportation Authority (CARTA)
November 16, 2023

I. Introduction

The Chattanooga Area Regional Transportation Authority (CARTA) is requesting proposals from qualified firms for provision of legal services for its transit system. CARTA is a public authority that provides fixed route service within the city of Chattanooga; complementary demand response paratransit service for citizens with disabilities within the cities of Chattanooga, East Ridge, and Red Bank; a downtown shuttle and parking system, and the Lookout Mountain Incline Railway. CARTA is also authorized to provide service in portions of Dade, Walker, and Catoosa counties in Georgia.

CARTA operates 10 Main Line Routes, one on-demand microtransit zone, and the Care-A-Van demand responsive service. Main Line Routes provide frequent fixed route service between Downtown Chattanooga and other areas in the city of Chattanooga. In addition, CARTA operates a free shuttle service in Downtown Chattanooga, the North Shore, and St. Elmo. These shuttle services connect Shuttle Park North, Shuttle Park South, Shuttle Park North Shore, and the Incline Railway lower station. CARTA also operates the Lookout Mountain Incline Railway and provides oversight and enforcement for approximately 4,000 surface and on-street parking spaces.

The system is financed by a combination of federal, state, and local financial assistance and is subject to the laws and regulations of the funding governments.

CARTA currently uses the services of three legal firms on a regular basis. One firm is used to handle labor, personnel issues including EEOC issues, and workers' compensation. The second firm is CARTA's general counsel and handles all other matters.

On occasion CARTA has secured the services of another legal firm to handle issues when a conflict of interest has become apparent.

The current arrangement of using two firms has been successful but there is no requirement that CARTA retain the use of any particular number of firms and CARTA shall consider all proposals submitted and all arrangements proposed. Thus, legal firms may submit proposals for all

services listed below or may request consideration for one or more of the individual areas: workers' compensation; labor and personnel; and general services.

II. Scope of Services

The listing of services required by CARTA is organized under the two general headings of Labor and Personnel and General Services. Again, this is in line with CARTA's current organization of legal services but proposers may provide responses to an individual category, two categories or for all services.

All firms which respond must be licensed to practice law in Tennessee and Georgia and have experience and expertise in the areas noted in both states.

A. Labor, Personnel and Workers' Compensation

Proposing firm shall have experience and expertise in the following areas:

- Fair Labor Standards Act
- Collective bargaining
- Union grievance and arbitration procedures
- Equal Employment Opportunity rules, regulations and laws
- Hearings of the EEOC
- Hearings of the Unemployment Commission
- Personnel policies and laws
- Section 13(c) of the Federal Transit Act
- Personnel policies, taxes, and laws

B. General Services

Proposing firm shall have experience and expertise in following areas:

- Contracts
- Federal Transit Administration rules and regulations
- Federal procurement regulations
- Environmental laws, rules and regulations
- Local, state and federal laws, rules and regulations pertaining to public entities
- Real estate development and management issues
- Construction law

If requested by CARTA, selected individuals or firms will retain as a subcontractor other counsel to assist in meeting CARTA's needs. CARTA will be billed at actual cost of this additional counsel with no additional fees or mark-up.

III. Proposal Contents

A. A brief description of the firm or person submitting the proposal

B. A representative, partial listing of current clients with particular reference to those requiring services similar to those listed by CARTA

C. The resume of the primary attorney to be assigned to CARTA. Please note that CARTA prefers that there be a single, primary contact at each law firm. CARTA recognizes that other attorneys associated with the firm may work on CARTA business, but it is CARTA's preference that one attorney be assigned as the primary contact and be responsible for all business with CARTA.

D. Resumes of other attorneys in the firm who may be assigned to work with CARTA

E. A description of how the firm and/or individual meets the needs of CARTA as expressed in the Scope of Service. This section of the proposal should not exceed three (3) typed pages.

F. CARTA requires its attorneys to maintain a local telephone number which, during normal working hours, is answered by a human being. If a "voice mail" system is used during normal business hours, it shall be designed in such a way that a caller has the option, at any time during the call, to speak with and leave a message with a human being. A section of the proposal should describe the telephone system of the firm and note how the system will comply with the requirements noted above.

G. A description of the rate system to be used including fees for senior attorneys, junior attorneys and other attorneys as well as other staff (paralegals, etc.) who are likely to do CARTA work. Rates submitted are firm for the entire length of the agreement [five (5) years]. Any and all increases for any and all positions must be included in the proposal. A change of rate requires a resolicitation and consideration of proposals and CARTA does not intend to do this more frequently than every five (5) years.

IV. Guidelines for Submitting Proposals

Six (6) paper copies and one electronic copy of each firm's proposal must be received at CARTA by 2:00 p.m. on December 11, 2023. Proposals should be addressed to:

Ms. Annie Powell
CARTA
1617 Wilcox Boulevard
Chattanooga, TN 37406

Telephone 423-629-1411 Fax 423-698-2749
Email: anniepowell@gocarta.org

The outside of the package should be clearly marked with the words "Legal Services Proposal."

V. Term of Agreement

The term of this agreement is five (5) years. The term is subject to other terms and conditions of this request for proposals. However, the employment of an attorney for CARTA and its Board of Directors is at the discretion of the Board and is subject to dissolution at the discretion of the Board.

VI. Evaluation Criteria

The following criteria will be used in evaluating proposals:

- Experience and expertise of proposed attorneys 30 percent
- Relevant overall experience and expertise of the firm 30 percent
- Documented specialized expertise in transit related issues 25 percent
- Rate system 15 percent

VII. Selection

The selection of the firm or firms shall be based upon the most responsible and responsive proposal in accordance with the evaluation criteria for this request for proposals. Upon publication of this request for proposals, contacts between proposers and CARTA seeking clarifications of this proposal request shall be required to be in writing and sent to Ms. Annie Powell. No telephone contact regarding this request for proposals shall be permitted. The use of a facsimile device in place of mailed correspondence is acceptable. CARTA will provide written response of clarification requests to all persons and/or firms who have received the specifications for this request for proposals.

CARTA reserves the right to reject any or all proposals, or to accept any proposals, or to waive any informalities in any proposals, or to withhold the award if deemed in the best interest of CARTA.

Based upon a review of the submitted documentation, the selection committee of CARTA management staff will make its recommendation of the firm or firms for approval by the Executive Committee of CARTA's Board of Directors. If necessary, the selected firm or firms and primary attorney(s) will be invited to an oral interview. The interview will be at the exclusive option of CARTA.

The following access to records requirements apply to this Contract:

1. The Contractor agrees to provide CARTA, the FTA Administrator, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions. CARTA Special Contract Provisions

4. The Contractor agrees to maintain all books, records, accounts and reports required under this contract for a period of not less than three years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until CARTA, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Reference 49 CFR 18.39(i)(11).

4. Default and Termination

1. General Termination Provisions-Transportation Services, Professional Services, Supplies, Other Services, Service, and Transit Services Contracts.

a. Termination for Convenience

CARTA may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in CARTA's best interest. The Contractor shall be paid its fees or its costs, and profit on work performed up to the time of termination, but no unearned profit or fees on work not yet performed. The Contractor shall promptly submit its termination claim to CARTA to be paid the Contractor. If the Contractor has any property in its possession belonging to the CARTA, the Contractor will account for the same, and dispose of it in the manner the CARTA directs.

b. Termination for Default

If the Contractor does not deliver supplies in accordance with the contract delivery schedule; or if the contract is for services, the Contractor fails to perform in the manner called for in the contract; or if the Contractor fails to comply with any other provisions of the contract, CARTA may terminate this contract for default. Termination shall be effected by serving a notice of termination on the contractor setting forth the manner in which the Contractor is in default. The contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract, offset by any damage incurred by virtue of Contractor's default.

If it is later determined by CARTA that the Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Contractor, CARTA, after setting up a new delivery of performance schedule, may allow the Contractor to continue work, or treat the termination as a termination for convenience.

c. Opportunity to Cure

CARTA in its sole discretion may, in the case of a termination for breach or default, allow the Contractor ten (10) days in which to cure the defect. In such case, the notice of

CARTA Special Contract Provisions

termination will state the time period in which cure is permitted and other appropriate conditions

If Contractor fails to remedy to CARTA's satisfaction the breach or default or any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor or written notice from CARTA setting forth the nature of said breach or default, CARTA shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude CARTA from also pursuing all available remedies against Contractor and its sureties for said breach or default.

d. Waiver of Remedies for any Breach

In the event that CARTA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by CARTA shall not limit CARTA's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

5. Clean Water Requirements

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA or CARTA.

6. Clean Air and Excluded Facilities

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. The Contractor agrees to report each violation to CARTA and understands and agrees that CARTA will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

The contractor also agrees to comply with the provisions of 40 CFR Part 15 which prohibits the use of facilities included on the EPA list of violating facilities.

The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with assistance provided by CARTA.

CARTA Special Contract Provisions

1. By signing and submitting this bid or proposal, the prospective lower tier participant is providing the signed certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, CARTA may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to CARTA if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "persons," "lower tier covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549 [49 CFR Part 29]. You may contact CARTA for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized in writing by CARTA.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction", without modification, in all lower tier covered transactions (subcontracts) and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List issued by U.S. General Service Administration.
8. Nothing contained in the foregoing shall be construed to require establishment of system of records in order to render in good faith the certification required by this clause.

CARTA Special Contract Provisions

9. Disadvantaged Business Enterprises – Purchases other than Revenue Vehicles

CARTA has an active DBE program required and authorized by the Federal Transit Administration. CARTA attempts to hire contractors and subcontractors that represent the community that CARTA serves. CARTA has consistently been able to achieve DBE participation using race neutral measures and expects its contractors to strongly attempt to achieve the same or better.

CARTA Special Contract Provisions

Contract Assurance

The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as CARTA deems appropriate.

The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 15 days from the receipt of each payment the prime contractor receives from CARTA. The prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of CARTA. This clause applies to both DBE and non-DBE subcontractors.

Sanctions/consequences of noncompliance with the prompt payment clause may include:

1. Requiring documentation of all payment to subcontractors for all previous payments from CARTA to the prime contractor before any future payments from CARTA to the prime contractor are made.
2. Termination of contract for Default
3. Inability of prime contractor to bid on any future CARTA contracts.

CARTA will ensure that the prompt payment clause of the contract is enforced by:

1. Requiring prime contractors (in sub-contracts in excess of \$10,000, to provide subcontractors with all contract provisions, including the prompt payment provision.) Essentially, ensuring that subcontractors are knowledgeable of the prompt payment requirement.
2. Informing contractors at the pre-construction meeting that CARTA will be monitoring the prompt payment clause of the contract by requiring the subcontractors to file a final certified payroll report upon completion of a subcontractor's portion of the contracted work. After the final certified payroll report has been filed, CARTA will send a letter via e-mail to the subcontractor to verify that the subcontractor has received prompt payment of what is owed from the prime contractor, including retainage.
3. If CARTA is contacted by a subcontractor regarding possible violation of the prompt payment clause by the prime contractor we will make inquiries to the prime contractor. Depending on the response from the prime contractor, CARTA may implement the sanctions/consequences listed in the above section.

Legal and Contract Remedies

In the event a prime contractor fails to comply with its stated contract goals, and cannot

CARTA Special Contract Provisions

show that a good faith effort has been made to do so, CARTA shall initiate the following actions:

1. If any findings are discovered during the process of fulfilling the contract are deemed to be fraudulent or dishonest conduct in connection with the DBE program, CARTA will notify the Department of Transportation's Inspector General, who in turn under 49 CFR 26 may sanction criminal prosecution, action under suspension and debarment or Program Fraud and Civil Penalties rule provided in 26.109.
2. CARTA will also consider similar action under our own legal authorities, including responsibility determination in future contracts. Such actions can include termination for default or prohibition from bidding on future CARTA contracts.

Monitoring and Enforcement Mechanisms

Prime contractors must maintain records and documents of payments to DBEs for three years following the performance of the contract. These records will be made available for inspection upon request by any authorized representative of CARTA or DOT. This requirement also extends to any certified DBE subcontractor.

We will maintain a running tally of actual payments to DBE firms for work committed to them at the time of contract award.

DBE Financial Institutions

CARTA encourages all prime contractors to use the financial service institutions owned and controlled by socially and financially disadvantaged groups. CARTA maintains a list of such institutions and will provide it to any contractors interested in utilizing them.

For example, Buy America’s eligibility and process requirements apply to any procurement in excess of \$150,000. 49 U.S.C. § 5323(j)(13).)
