

Kids Ride Free & Discounted Annual Passes Available This Fall and Winter at the Historic Incline Railway

Chattanooga, Tennessee — This fall and winter, the historic Incline Railway is launching two seasonal promotions to make this iconic experience even more affordable for families, locals, and visitors.

Kids Ride Free: November 10, 2025 – March 1, 2026

Children ages 12 and under will ride free with a paying adult at the Incline Railway from November 10 through March 1, part of two seasonal promotions at the Chattanooga Area Regional Transportation Authority (CARTA) attraction. The promotion runs daily except Thanksgiving week (November 24–30) and Christmas week (December 22–28). One child rides free per paying adult.

"Every child deserves a mountain adventure," said Charles Frazier, CARTA CEO. "This makes it easier for families to experience the Incline together and enjoy the views, history, and unforgettable moments that make it such a unique part of our city for 130 years." The Chattanooga Area Regional Transportation Authority (CARTA) owns and operates the Incline Railway.

How It Works

- One child (12 and under) rides free with each paying adult
- Two children = two adults; three children = three adults
- Simple one-to-one ratio

Discounted Annual Passes: Holiday Stocking Stuffer Special

Just in time for the holiday season, Incline Annual Passes will be offered at a discounted rate—an ideal gift for commuters, adventure-lovers, and Lookout Mountain enthusiasts.

Annual Pass Pricing (Nov. 16 – Dec. 31, 2025)
