

Invitation for Bids to Provide Bus Stop Shelters and Associated Amenities

Please see below for responses to questions from potential bidders.

1. CARTA is extending the due date for bids from September 18, 2026 to September 25, 2026 at 2 p.m.
2. Is a typical layout drawing of the shelter style in one of the sizes sufficient for the bid? A typical layout drawing of the shelter style would be sufficient as long as CARTA is able to determine that the shelter meets the specifications of the Invitation for Bids.
3. Are we able to give you written specifications on the other amenities that we would be providing or are you looking for drawings for each of the product types with the bid? Written specification on the other amenities would be sufficient as long as CARTA is able to determine that the amenities meet the specification of the Invitations for Bids. Pictures would be useful if available.
