CARTA Invites Community to Share Feedback on New Bus Stop Designs

Drop-in event for November 10 at Shuttle Park South

CHATTANOOGA, TN – The Chattanooga Area Regional Transportation Authority (CARTA) invites riders and community members to share feedback on Tuesday, November 10, 2026, to review proposed bus stop designs.

The event will take place from **6:00 to 7:30 p.m. at CARTA's Shuttle Park South, located at 1362 Market Street.** The event will be in a drop-in format, allowing attendees to stop by at any time during the scheduled hours.

CARTA will showcase new bus stop design concepts and gather community input on features that can improve the rider experience.

“Bus stops are an important part of the transit experience, and we want to hear directly from the people who use them,” said Charles D. Frazier, CARTA CEO. “Community feedback will help us better understand rider priorities as we work to improve bus stop infrastructure across our system.”
